- 3 Let your creativity sparkle by adding lots of colour & doodles
- 4 Scribble a heartfelt message or two (or three)
- 5 Cut and glue onto card or the back of a cereal box (remove contents first)!
- 6 Share your results using the #ISLANDArts hashtag so we can see you spreading the love!
- 7 Smile at a job well-done!

Send a Little Sunshine!

Post using snail mail or take to two wheels or foot (if you're feeling spritely) to hand deliver your postcard. Either is perfect for sending a little sunshine and raising a smile on the lucky recipient's face.
