

Lovely Little Teddy (song)

Beautiful little teddy, little yellow teddy,

He fell in the park and is very ill.

It's a little bed, it's lying.

Lovely little teddy, little yellow teddy.

He hurt his head and hurt his eye,

He hurt his arm and he hurt his knee.

It's a little bed, it's lying.

Lovely little teddy, little yellow teddy.

The doctor came to the house by car.

Where are little Teddy, little yellow Teddy?

It's a little bed, it's lying.

Lovely little teddy, little yellow teddy.
